The gable end contains a small hipped roof to a bay. To the north east of the bay a separate verandah has a decorative lacework frieze and balustrade. The openings to the front facade under the verandah are quoined with red tuckpointed brickwork. Windows to the bay are aluminium framed with small awnings and aluminium security grilles. Rendered masonry chimneys to the south, west and northwest are tall and corbelled with terra cotta chimney pots. There is a fibro enclosed lean-to to the rear with a corrugated iron roof.
