USE OF PLACE

Original Use:	Residence		
Current Use:	Residence		
Ownership:			
Public Access:	Restricted	Occupied:	Occupied

DESCRIPTION

Walls:	Concrete Block	Roof:	Comugated Iron
Condition:	Not applicable	Integrity:	
Original fabric:			
Modifications:	Some verandah enclosures		

Set in an elevated position, the house is of concrete block construction with a comugated iron gambrel roof which is punctuated by a rendered, corbelled chimney. The roof extends to cover the front verandah. There is a separate gable to the front room which features timber battens to the gable end. Supported on timber posts the verandah is partly enclosed to the north-west with fibro. The house features quoining to the comers and there is a comugated iron awning to the front room window. Entry to the house is via a series of steps leading from the footpath where a low brick wall foms the property boundary.

HISTORY

Construction Date:	1908	Source:	Smith, K.R.
Architect:	Unknown		
Builder:	John Crothers		

The house was built c 1908 by well known Geraldton builder, John Crothers for his wife, Sarah and their family. The house served as their home for many years. John Crothers (1864-1929) was responsible for the construction of numerous buildings in Kalgoorlie including the Roads Board
