Located on the corner of Jose and Molster Streets, this brick building is domestic in character with a broad, gabled front porch which is supported on two sets of triple posts. The corrugated iron roof has gable ends with the front one addressing Jose Street featuring the blue and white CWA logo to the gable apex. There is a brick chimney to the north facade, while the windows have rendered window sills and lintels. The building had an extension constructed in 1960. A low metal pole and wire mesh fence runs along the street perimeter.

HISTORY

Construction Date:	1936	Source:	Barden, W.D.
Architect:	J.C. Hawes		
Builder:	Berry Bros		

The Mullewa Branch of the Country Women's Association was formed on 1 June 1932, with Mrs F.T. Brand elected as the inaugural President, Mrs Stonehouse as Secretary and Mrs McGowan as Treasurer. Initial meetings were held in the old Roads Board Office, the old Town Hall and elsewhere. In 1933 the Branch obtained property to build their own rest rooms, which were opened on 3 April 1936 by Mrs Haxton Grant, from Geraldton, who was then President of the Northern Division of the CWA. In

the years that followed the Branch prospered and in 1960 major extensions to the building were undertaken. The extensions were officially opened in November by Mr A.I Horan of the Wheat Board. The President of the Mullew Branch at the time was Mrs P. Barden. The CWA is no longer
